We want you to pick out your grass rugs at once and not grow to the management when they are all gone for not reserving some for you. One thing is quite certain, you can never again in years duplicate these prices. They are selling in San Francisco at higher figures wholesale, not retail. Therefore if in need of GRASS RUGS and mats make your purchases now and get the low prices current in this place for American Wire Grass Rugs at far less prices than Rugs made of Rice Straw, at the Rooms made of Rice Straw, at the Rooms 18x36 plain for \$60, figured \$60, as against inferior articles advertised at 75c, and so on up the line in sizes and prices, we are the lowest in town.
